About the Book

In *Everything Belongs*, Richard Rohr invites us to explore the depths of contemplative prayer. This is not a book about techniques or formulas. It is a journey of discovery, a path to inner peace, and a way to connect with the divine.

Rohr draws on his own experience as a monk and teacher to guide us through the different stages of contemplative prayer. He shows us how to let go of our thoughts and emotions, to be present to the moment, and to open our hearts to the love of God.

Everything Belongs is a book that will change your life. It will help you to find inner peace, to connect with your true self, and to live a more meaningful life.
