Felicity is a bright and resourceful girl, living in Williamsburg, Virginia, with her family. When her father is arrested for treason, Felicity knows she must take action. Disguised as a boy, she sets out on a perilous journey to Philadelphia to seek help from the Continental Congress.

Along the way, Felicity encounters a cast of colorful characters, both friend and foe. She meets George Washington and Thomas Jefferson, who are impressed by her courage and determination. But she also faces danger from British soldiers and loyalists who are determined to stop her.

Felicity Saves the Day is a thrilling historical fiction novel that brings the American Revolution to life for young readers. It is a story of courage, determination, and the power of one girl to make a difference.

About the Author

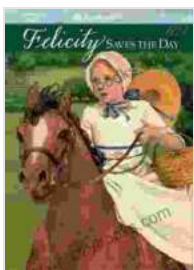

Valerie Tripp is the author of more than 70 books for children and young adults. She has won numerous awards for her work, including the Newbery Honor Award and the National Book Award.

About the American Girls Collection

The American Girls Collection is a line of historical fiction dolls and books that celebrates the lives of young women from different time periods in American history. Felicity Merriman is one of the six original American Girl characters, and her stories are set in the year 1774.
