In this compelling book, Mark Baylis shares his deeply personal journey with kidney cancer. From diagnosis to recovery, Mark provides a candid and informative account of his experiences, offering hope and support to others facing this disease.

Mark's story begins with the sudden onset of back pain. After several doctor's visits and tests, he was finally diagnosed with kidney cancer. The news was devastating, but Mark was determined to fight. He underwent surgery to remove the tumor, followed by chemotherapy and radiation therapy.

Mark's journey was not easy. He faced many challenges along the way, including side effects from treatment and the emotional toll of living with cancer. But through it all, he never gave up hope. He drew strength from his family and friends, and he found comfort in his faith.

Today, Mark is cancer-free. He is grateful for the opportunity to share his story and to help others who are facing this disease. *Kidney Cancer: Find, Stop, Mark Baylis* is a powerful and inspiring book that offers hope and support to anyone who has been touched by cancer.
