

Prepare to Be Astounded: 200 Startling Facts That Never Made It Into the Textbooks

A Journey Beyond the Classroom

History books often paint a sanitized and incomplete picture of the past. Science textbooks leave out the most mind-boggling discoveries. Culture is reduced to neat little boxes. But what if there was a book that dared to venture beyond the confines of the classroom? A book that would expose the hidden gems of knowledge, the astonishing facts that never made it into the textbooks?

Introducing '200 Startling Facts That Never Made It Into The Textbooks', a groundbreaking work that will shatter your preconceptions and ignite your curiosity.

American History Revised: 200 Startling Facts That Never Made It into the Textbooks by Seymour Morris Jr.
