The book is divided into three parts. The first part, "Origins and Traditions," examines the historical and cultural contexts from which blues and gospel music emerged. The second part, "Styles and Forms," explores the diverse range of musical styles and forms that have developed within these genres.

The third part, "Cultural Impact," examines the ways in which blues and gospel music have shaped American culture and society.

The Cambridge Companion to Blues and Gospel Music is an essential resource for anyone interested in these genres. It is a valuable addition to the library of any music scholar, student, or enthusiast.
