A deeply moving portrait of a daughter's journey through grief and the indomitable nature of love, from Patti Davis, the beloved daughter of Ronald and Nancy Reagan.

In *The Long Goodbye*, Patti Davis shares her intimate and deeply moving account of the last years of her parents' lives. With honesty and grace, she recounts the challenges and triumphs of caring for her mother, Nancy, as she battled Alzheimer's disease, and her father, Ronald, as he faced the end of his own life.

Davis's memoir is a testament to the power of family, the importance of forgiveness, and the enduring bonds of love. It is a story that will resonate with anyone who has ever lost a loved one, and it will offer comfort and hope to those who are facing the challenges of caring for an aging parent.

"Patti Davis has written a beautiful and deeply moving memoir about the loss of her parents. *The Long Goodbye* is a testament to the power of family, love, and forgiveness. It is a book that will stay with me long after I finish reading it."
