Roger was a very special dog. He was kind, loving, and always up for an adventure. He loved to swim, play fetch, and go for walks in the woods. But most of all, Roger loved people. He would always greet everyone with a wagging tail and a friendly bark.

Roger's story is told through the eyes of his human companion, author John Elder. Elder shares stories about Roger's puppyhood, his adventures on the lake, and his final days.

The Tale of Roger is a celebration of the bond between humans and animals. It is a story about love, laughter, and loss. It is a story that will stay with you long after you finish reading it.
