The Vampire Captive is a thrilling new novel that follows the story of a young woman who is captured by a vampire and must fight for her survival.

Amelia is a young woman who has always been fascinated by vampires. She has read every book and seen every movie about them, and she even has a vampire tattoo on her arm. But she never thought she would actually meet one.

One night, Amelia is walking home from work when she is attacked by a vampire. He bites her on the neck and drinks her blood. Amelia is terrified, but she manages to escape. She runs home and tells her family what happened, but they don't believe her.

Amelia knows that she has to find a way to protect herself from the vampire. She goes to the library and researches vampires. She learns that there are many different types of vampires, and that some of them are more dangerous than others. She also learns that there are ways to kill vampires.

Amelia decides to take matters into her own hands. She buys a silver stake and a bottle of holy water. She also learns how to fight. She knows that it will be difficult, but she is determined to survive.

The vampire returns to Amelia's house one night. He is stronger and faster than before. Amelia fights back, but she is no match for him. He bites her again and drinks her blood. This time, he doesn't let her go.

Amelia awakens in a dark room. She is chained to a wall. The vampire is standing over her. He tells her that she is his captive now. He will keep her alive, but he will never let her go.

Amelia is terrified, but she refuses to give up hope. She knows that she has to find a way to escape. She has to survive.
